## Township Happenings for 2015

By Jerry Rohde—Supervisor

Well another year has rolled by and we are all a little older. Some of the things that have transpired in Wheeler Township over the past year are as follows:

We have up graded our property by having the hall painted and we have had the parking lot repaved to replace broken concrete that was very uneven and cracked in many places.

Your Township Board has been trying to do our best to improve our local roads by adding more gravel and limestone applied to some of the other well traveled gravel roads.

Our voter approved road millage over the next 5 years will allow us to do much more with our local roads as we probably won't see much of the State funded monies from the license and gas tax .

We have also worked out an agreement with Saginaw County, Jonesfield and Lakefield Townships to work on the upgrading and repaving of Meridian Road South of M-46 over the next three years.

On Trash pickup, the Township Board has elected to stay with the Waste Authority who have approved a new seven year agreement with Waste Management for Trash and Recycle pickup.

In 2016 it will be an Election year and we will have both Primary and General Elections for many of the Federal, State and Local offices.

**Hope you all have a good year in 2016.**
